House*

For Women

15th Annual Luncheon

Our Mission Statement & Our Ministry

*M*any women are trapped in a world of addiction, self-abuse, domestic violence, and hopelessness. Restoration Ministries' Tabitha House offers women an opportunity to permanently change their lives by showing them love and a message of hope. Through a program of Christian principles and the life changing power of the Holy Spirit, Tabitha House provides a safe haven in which women can live while they learn to rise beyond their circumstances and acquire the skills necessary for productive, independent living.

In December 1997, Restoration Ministries opened Tabitha House, a residential, Christian-training program for women overcoming drug and alcohol addictions. At Tabitha House women live free of charge while they receive spiritual counseling, complete their educations, learn job skills, and rebuild relationships with their children and families.

Located in South Holland, Tabitha House is funded through private donations from individuals, churches and foundations. Our annual luncheon is an important fundraising event. Your attendance and support will help us offer women life-changing opportunities.

The Women's Board of Restoration Ministries
Cordially invites you to attend the Fifteenth Annual

Tabitha House Luncheon
